

Can you join the 1500 club this summer?

Total up the pages of all the books you read this summer and see if you can read more than 1500 pages!

If you succeed, that means you'll have read almost **half a million words!**

Write the title, author and number of pages read in the table below and get an adult at home to sign it.

Love one of the books you've read?

Why not complete a book review too!
