Please keep off the grass at all times; parking on the field or in spaces at top of school drive.

### Playing Conditions and notes

1. Emphasis is on fun and learning, not competition;
2. 5-a-side, no goalkeepers;
3. Rolling subs; match numbers at all times;
4. There will be 'circles' (Ds), marked by lines. Use these as a guide - advantage to the attack; in all groups, encourage 'move it 5m' rule for free hits near circle;
5. **FOULS INSIDE CIRCLE.** If it would have been a PS, award the goal; if it would have been a PC, give a free outside circle;
6. **Matches will be centrally timed by BWS; please be ready, but don't start until central whistle;**
7. **The skills focus sessions are optional - please send any spare players and let them enjoy lots of touches, keeping them occupied during their breaks;**
8. Cookies and drinks pitchside (if weather ok) from 3.35pm onwards - help
