VISION, MISSION & VALUES

VISION

We are a school that inspires, nurtures and prepares children to thrive in a rapidly changing world.

A broad, modern and relevant education develops character and confidence alongside academic, sporting, musical and artistic achievements.

Each child will discover their unique talents in a culture of strong pastoral care where they are known and celebrated as the individual they are.

MISSION

Provide a safe and happy environment for all

A strong culture of safeguarding within our school community ensures the children in our care feel safe, secure and happy.

Our warm environment provides the opportunity to learn, celebrate childhood, and build relationships across the whole school community in which parents are always welcome and actively involved.

Our strong pastoral system ensures all of our children are cared for and known as individuals by the whole school community.

Expect and reward good manners, responsible behaviour and a positive attitude in all our pupils

Provide an environment where positive attitudes and kindness thrive.

Develop children to be responsible well-mannered world citizens who respect diversity, promote community spirit and think of others before themselves.

Engender a love of learning in every pupil through an exciting, engaging and relevant curriculum

We deliver an enriched, inspiring, balanced curriculum.

Teachers have the passion and depth of knowledge required to deliver high quality, specialist teaching.

Well-resourced facilities engage and enable children to achieve. A particular focus on technology and the sciences enhances and links with the core curriculum.

Heywood's semi-rural setting ensures that children take their learning experiences outdoors through Forest School and into the local community.

Provide every pupil with the opportunity, the confidence and the support to achieve amazing things

We provide opportunities for all our pupils to excel through a modern and relevant curriculum and a broad range of extra-curricular activities.

Children will embrace failure and understand that acceptance of it will build resilience and give them the confidence to strive to reach their full potential.

Prepare children for life after Heywood Prep

An individual approach to identifying and securing entry to the most appropriate senior school for each child, through curriculum, support and advice tailored to each child and family.

By developing children's character and equipping them with future-proofed skills, we prepare them to be positive citizens in a rapidly-changing world.

HEYWOOD HABITS

Heywood's three core values guide and drive all that we do and help us to achieve our aims as a school and as individuals

DETERMINATION

We have a positive approach when things are challenging. We try to learn independently. We try our best in everything we do.

CURIOSITY

We use our imagination to solve problems in new and exciting ways. We enjoy questioning the world around us and learning new things.

RESPECT

We are honest and kind. We understand that we are all unique and special and we celebrate our differences. We look after each other and we look after our school.

PRIORITIES FOR THE NEXT FIVE YEARS

CURRICULUM

- Offer a challenging and aspirational curriculum that encourages independent learning with a focus on realising each child's potential
- Develop a curriculum that exposes children to skills for the future and prepares them not only for their senior school of choice, but also for life beyond the classroom
- Launch and embed Heywood's BYOD scheme, increasing access to technology across the curriculum

IDENTITY

- Be an autonomous prep school, within the security of the successful Wishford Schools group, that leads locally with a genuine focus on the individual
- Offer an environment where happy children discover a love of learning through engaging with an outstanding curriculum led by inspirational and highly qualified staff
- Provide excellent value for money and first-class wrap around care

CO-CURRICULAR

- Establish a trips and visits programme across a range of subjects, to include a residential visits programme in the Prep Department
- Offer a diverse range of clubs and activities to develop the interests and skills of our pupils
- Establish an outstanding reputation for sport and creative arts in Wiltshire

PASTORAL

- Further develop our culture of safeguarding and excellence in pastoral care and wellbeing, to include placing children's mental health at the forefront of our wellbeing programme
- Encourage social responsibility in our pupils through our core values
- Develop responsible citizens who have a positive impact on the wider community through acts of service and charitable fundraising

STAFF

- Recruit and retain highly qualified, talented staff
- Support development and training of our staff
- Continue our commitment to staff wellbeing to maintain a motivated, healthy and positive team

MARKETING & ADMISSIONS

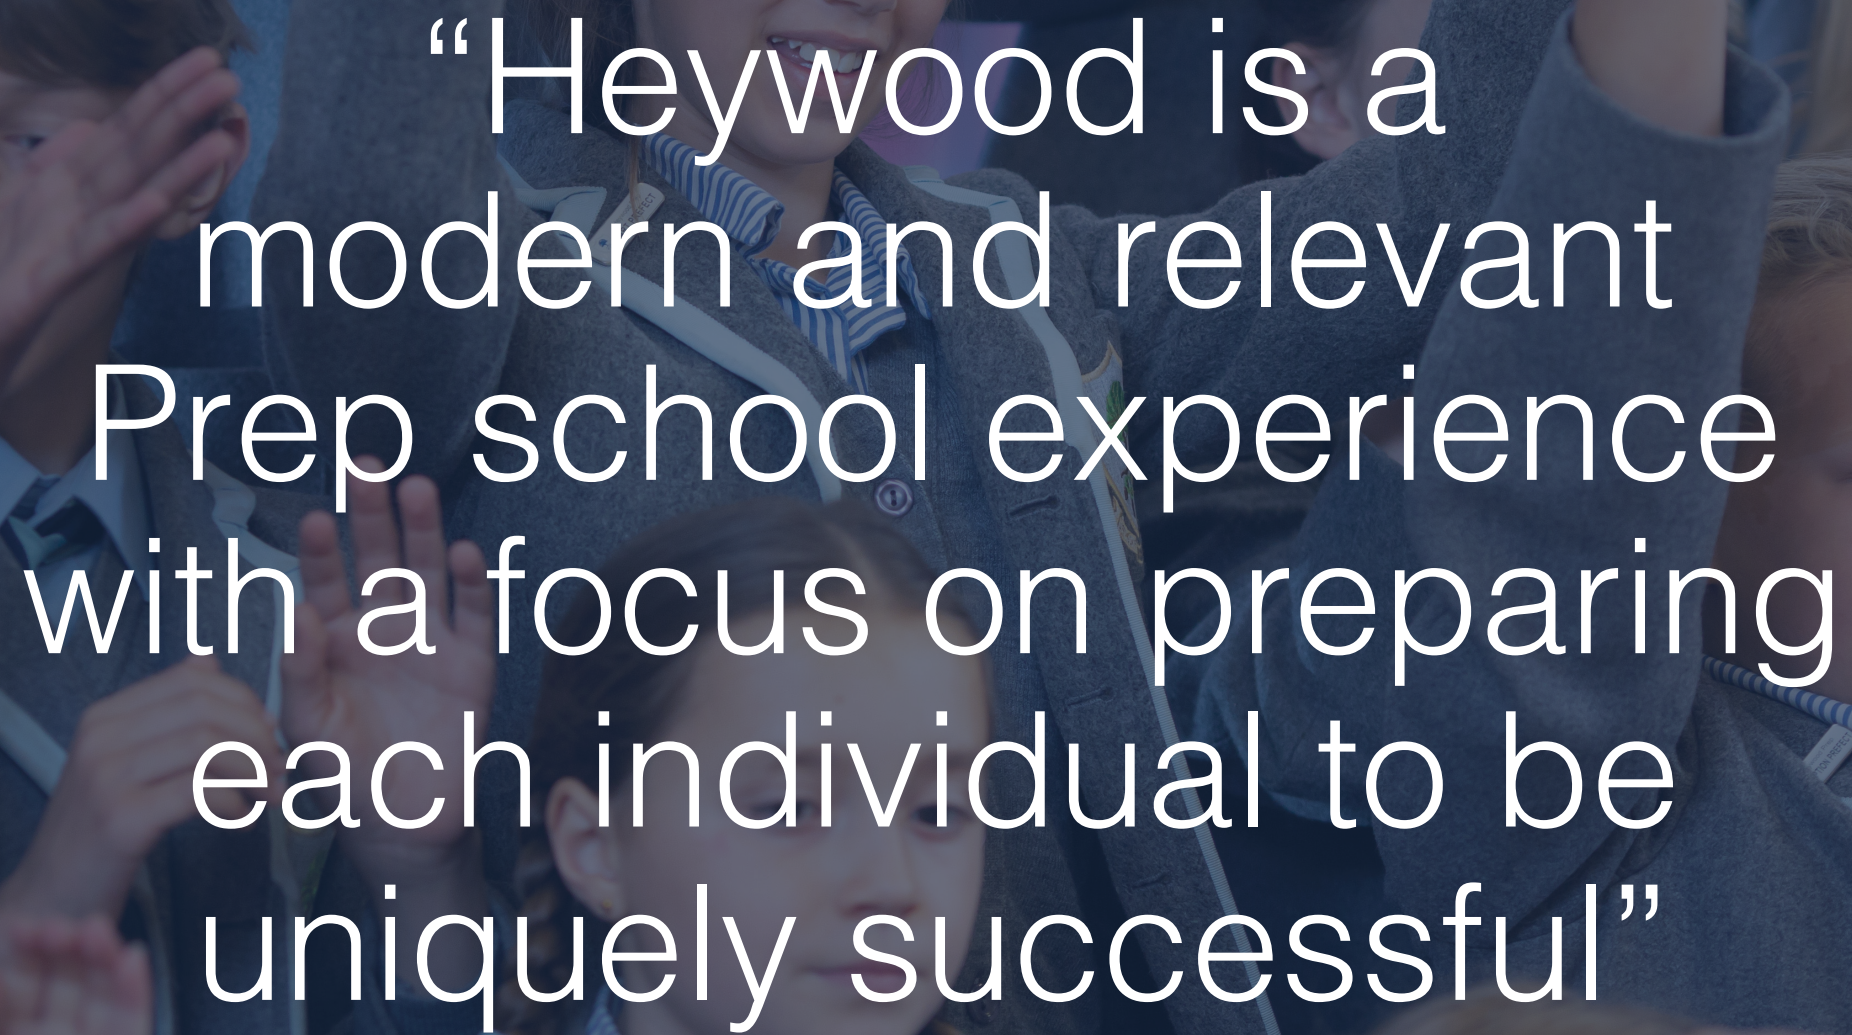

- To be the leading choice for independent Prep education in Wiltshire
- Drive the school's marketing strategy in line with our vision and values
- Maintain our commitment to non-selective entry

FINANCE & LEADERSHIP

- Maximise Governance oversight to ensure provision in both compliance and educational quality are excellent
- Maintain and further improve the financial health of the school to facilitate ongoing investment in staff and resources

A group of children in school uniforms are clapping. The image is overlaid with a semi-transparent blue filter. The text is centered and reads: "Heywood is a modern and relevant Prep school experience with a focus on preparing each individual to be uniquely successful".

“Heywood is a modern and relevant Prep school experience with a focus on preparing each individual to be uniquely successful”
